Vent-A-Hood Announces North Texas Scholarship Recipients

RICHARDSON, Texas – Vent-A-Hood®, the company that created the modern residential range hood, has announced the recipients of its 2007-2008 Vent-A-Hood Scholarship Fund. The six students are graduates of North Texas high schools and each received a one-year scholarship in the amount of \$4,000.

“We are proud of each recipient of this year’s Vent-A-Hood scholarship program,” said Blake Woodall, director of sales for Vent-A-Hood. “It’s an honor to give back to the students and families in the North Texas community, and we wish each student the best for the future.”

The 2007-2008 Vent-A-Hood Scholarship recipients:

- Searcy Redd, IV, 21, Dallas, Texas, University of North Texas, Senior, Political Science
- Casey Petty, 19, Denton, Texas, Dallas Baptist University, Sophomore, Sociology
- Michelle Middlekauff, 23, Dallas, Texas, University of Texas at Dallas, Senior, Business Administration
- Tory Barringer, 19, Fort Worth, TX, Oklahoma State University, Sophomore, Biological Science
- Phillip Jacobs, 20, Dallas, Texas, University of Texas at Austin, Junior, Accounting, Professional Program
- Rebecca Griffith, 18, The Colony, Texas, Sam Houston State University, Freshman, Forensic Chemistry

The Vent-A-Hood Scholarship Fund is available through the Communities Foundation of Texas.

About Vent-A-Hood:

Founded in 1933, Vent-A-Hood, based in Richardson, Texas, is the oldest manufacturer of residential range hoods in America. Each product manufactured by Vent-A-Hood is individually

engineered for performance in addition to style. Vent-A-Hood products are sold in all 50 states as well as Canada. For more information, please visit www.ventahood.com.
