MODEL #CWSH3-2/030-21

Contemporary Wall Mount Hood with Slim Rectangle, Magic Lung® Blower

Clean geometric lines and contemporary styling create a bold modern focal point, while the included matching duct cover provides a seamless finished appearance. Patented Magic Lung® technology delivers powerful yet exceptionally quiet ventilation through centrifugal filtration, with SensaSource® automatically adjusting blower speed for enhanced grease control and fire safety. Dishwasher-safe components simplify cleanup.

[1] CFM (cubic feet per minute) measures airflow. [2] Because Magic Lung® blowers use centrifugal filtration instead of traditional baffle or mesh filters, they move air more efficiently. When comparing to other brands, use Equivalent CFM to understand real-world performance. [3] Sones measure perceived loudness—lower values indicate quieter operation. Decibel values shown are approximate equivalents. [4] This model is not available with heat lamps. [5] Airflow (CFM) decreases as duct resistance (static pressure) increases. Values at 0.1"–0.3" SP reflect typical installed conditions.
